

It was an honor and a pleasure to be asked to judge your Sweepstakes. It is encouraging to see such a quality entry of individuals. The puppies are our future, and the veterans are our heart and soul.

6-9 months Puppy Dog

#5 Aeolus 38 Special- Very immature on this day, he had good depth of chest and nice angulation, but could use a bit more width in the front. I'm looking forward to seeing how he matures in the next few months.

9-12 months Puppy Dog

#9 Obi-Wan XJAX-SM Hurricane- This black and tan boy had good muscular development and nice width across the chest. Balanced angulation and overall proportions. Very mature looking for his age.

12-18 months Puppy Dog

#11 Freespirits Freddie Mercury- Lovely grizzle boy, moderate and balanced, but slightly less mature looking than the 9–12-month-old dog. Moved easily, without wasted motion.

#15 Alsayad Isirad Oh Racing With the Moon of Karanfil- Overall quality is good, but had excessive arch to his top line one the move.

9-12 months Puppy Bitch (number 8 absent)

#10 Pania Sadik Al Djiibaajah- Lovely outline, with clean side movement. A good front assembly, good pasterns, and strong feet. Strong topline whether standing or moving.

12-18 month Puppy Bitch

#16 Al Sayad Isirad Oh EJ's Tiny Dancer JC- Very feminine bitch who appears to be somewhat inexperienced in the show ring. Moderate and muscular.

12 Shiraz Mystic Solitaire- Not as well muscled at the first-place bitch. Nice rear angulation but somewhat straighter in the front than the first

#14 Qirmizi Utelle- She needs to grow into herself, looking unbalanced today.

Best #10 Pania Sadik al Djiibaajah

BOS #11 Freespirits Freddie Mercury

7-9 Veteran Dog

#71 GCH Zia Impala Wolverine- Nicely muscled and moderate, square in silhouette with a good front assembly, he moves very well

9-11 Veteran Dog

#57 GCHB DC Baha Heart of Gold- Not as well muscled as the younger dog, this is causing a loose movement in his front end. He has lovely angulation.

11+ Veteran Dog

#37 Issibaa's Jolly Jack- He carries good muscle and definitely does not look his age. Shorter in body than the other entries

7-9 Veteran Bitch

#72 DC Tezzy Av Vilje Og Ve- Very feminine, almost dainty bitch. Good depth of chest and length of leg. Her movement was not as clean on the down and back as the Best in Sweeps

9-11 Veteran Bitch

#74 DC CH Khiva's Jondee Evenstar of Queeba- Square silhouette and balanced angulation with good movement. Holds her topline well on the move.

11+ Veteran Bitch

#70 Yamadan's Hadiya Al Maas Bahiim- I am in awe of this bitch. Apart from a graying muzzle, she does not look her age at all. She has good balance and very good muscle mass and tone. She would be a winner at any age.

Best #70 Yamadan's Hadiya al Maas Bahiim

BOS #71 GCh Zia Impala Wolverine
